FROM HAMID REZA ARDANEH

To Whom it May Concern,

I am an innocent Iranian legal refugee who is without any constitutional rights, civil rights and human rights due to injustice, prejudice and discrimination based on race, national origin, language, religion, sex and color, and violations of due process rights guaranteed by both state and federal constitutions. I have been incarcerated for seven years in pretrial with ineffective and disloyal counsel, because the Commonwealth of Massachusetts does not want to use my statement of facts and my evidence. The Commonwealth is hiding facts and depriving me of life and liberty by using the alleged victim's, my Iranian wife of 18 years, retaliation and false accusation, and hiding actual crimes to protect the guilty alleged victim and her family.

Contrary to any documents filed in the past, I am not complaining about the U.S. government, the American Jewish people, or any employee of the justice system. And, I am not complaining about the two American Jewish people from my wife's (the alleged victim) family.

My complaint only concerns the alleged victim, my Iranian wife, Sanaz Siyonit and her Iranian American uncle, Jacob Babai, and the Commonwealth of Massachusetts, to demand damages for seven years of injustice. I am making a new statement, taking off the names David Merfeld, Bonnie Friedman, American Jewish people and the U.S. government.

I am asking only for "partial justice": to be declared not guilty and have my false criminal and mental health record expunged, because I do not have any past record. I also am asking to have my green card and U.S. passport given to me, which is absolutely within my rights to have, and to give the maximum punishment to the guilty alleged victim (my wife) and her uncle, and to pay me monetary damages, and to start my new life free of any criminal record. I would like my life and liberty protected and supported by the U.S. government. I love the United States and the American people, and I don't harbor any feelings of discrimination against any group of people or against any religion.

This outcome would be best for the Commonwealth, the United States and for myself.

trust in Him and He will do this:
He will make your righteous reward
shine like the dawn,
your vindication like the
noonday sun."

23. On 06,20,2016 also the Alleged victim my Iranian wife of 18 years Sanaz Siyonit sent the voicemails to my sister and my Brother, and stated I wanted to give him \$7000 plus \$1000 for his flight yesterday but he did not accept. The Exculpatory voicemails evidence are proving of innocence for me and prove of actual crimes of the intimidations of witness and the Bribes and making false police Reports and ~~False Accusation~~ False Accusation by the Alleged victim Sanaz Siyonit. All Attorneys in the Case have all evidence but seven years Refusing to ^{do} translation of the voicemails and the text messages, Refusing to do investigation of the text messages and the voicemails and the airline ticket and my statement and Refusing to file in the Case and there is no any Result from Counsels because the Commonwealth intimidating my Attorneys to not work for me to hiding facts to deprived me of life and liberty and to hiding crimes to protecting guilty the Alleged victim and her family.

24. On 06,20,2016 at 11 AM, half day after I am Refused to sell my family to Jacob Babai, Refused to leave the United States and Refused to take the Bribes from the Alleged victim my Iranian wife of 18 years Sanaz Siyonit, her uncle Jacob Babai used ^{his} powers ~~and Commonwealth of Massachusetts~~ and Commonwealth of Massachusetts absolutely illegal arrested me only based on false police Report without any injury for the Alleged victim, without any evidence for prove any crime has been committed and without any witness only based on ~~unconstitutional~~ unconstitutional falsely

Accused me by my Iranian wife of 18 years of her Retaliation to me because was close to time for taking my Green Card and my wife only wanted to deport me. I am explained to the Police on yesterday the Alleged victim my wife bought the airline ticket for me and I am cancelled and the flight was scheduled to leave Boston on yesterday. Also I am explained to the police on yesterday and 30 minutes prior to filed false Police Reports I was at lobby of the Cambridge police station and the Alleged victim's family gave me the airline ticket and counted cash under Review of the Camera to Bribes me with \$7000 in cash and the airline ticket for forcing me to leave the United States immediately and not go to the Court. I am Requested to the police for take my video evidence from Cambridge police station on yesterday but the police officers withheld and ignored this Exculpatory Material information and Refused to take the video evidence.

25. On 06/22/2016, in absolutely unfair probable Cause hearing I am arraigned on the False charges of ~~Retaliation~~ unconstitutional false Accused me by my Iranian wife of 18 years of her Retaliated to me because I loved another girl. The Judge in the Cambridge District Court only by using the false police Reports ~~unconstitutional~~ unconstitutional, without any evidence for prove any crime was committed, illegal and Discriminated ~~the~~ making false Judgment for \$100,000 cash bail and sent me Jail Billerica. The Commonwealth in the Jail hard mental and physical torture and made a lot false Reports to falsely call me mentally ill.

26. I am explained to my First defense Counsel McGowan those 30 minutes prior the false police Reports, I was at the Cambridge police Station and my wife's (the Alleged victim) family was counting cash under review of the camera to Bribes me with the airline ticket and \$7000 in cash for forcing me to leave the United States
27. CPCS McGowan Stated to me that I must wait to see what evidence DA have and when the DA done for Discovery, we will get the video and filing our evidence. I am also explaining to CPCS McGowan I have the text messages and the voicemails left by the Alleged victim (who is my Iranian wife of 18 years) clearly showing intimidations and threats of Jail and deportation if I do not accept the Bribes of \$15,000
28. The DA closed Discovery and presented only false Grand Jury minute. Attorney McGowan gave me the false Grand Jury minute and Stated the Commonwealth and the DA can only use the false Grand Jury minute for evidence and only can use the Alleged victim for testify at trial, no any more evidence and no any witness for the ~~False Accusation~~ False Accusation. ~~The~~ The DA was done for Discovery ~~in~~ on 2016 but Attorney McGowan never motioned to preserve evidence and did not take the video evidence, also Attorney McGowan Received the voicemail evidence and the text messages evidence by email from my Brother but never did not translation for evidence and never file in the Case my Exculpatory Statement and evidence.

29. I am explained to my Attorney the airline ticket and the counting of cash at the police station was explained to police officers yet they withheld and ignored this Exculpatory Material
30. On 08,18,2016 the DA Ceara Mahoney by using only a false verbal Statement from the Alleged victim my Iranian wife of 18 years and ~~XXXXXXXXXXXX~~ Unconstitutional false Accused me of her Retaliation to me, without any evidence to show and prove any crime was ~~commit~~ committed, no any probable Case, no any evidence of Criminal Activity by the Defendant, no mark, no any injury, no picture, no medical paper, no witness and the Alleged victim in the Grand Jury minute stated after punching her face a lot, strangled and all 8 false money charges happened to her, she without any injury Immediately went to work, no went to a Hospital and not called police, this is mean nothing happened to her. The unfair Grand Jury absolutely illegal and of course Unconstitutional, when the Commonwealth and the Grand Jury was absolutely sure was not committed any crime made the false Indictments by hear only the ~~XXXXXXXXXXXX~~ false Accusation of Retaliation.
31. The DA closed Discovery by presented only the false Grand Jury minute, so the Commonwealth have only a ~~XXXXXXXXXXXX~~ false Accusation of Retaliation and can not make final trial for illegal Unconstitutional the Case that why seven years intimidating my Attorney to not have communication with my and to not work for my side and to forcing me to fire Attorneys to falsely make me incompetent for stand trial to not give me the trial.

32. The Commonwealth intimidating my Attorneys and Attorneys working for Commonwealth to against innocence the Defendant and hiding actual crimes to protecting guilty the Alleged victim and her family and by 5 years illegal keep me in mental Hospital, torture and forcing me to take false Psych medication wanted forcing me to accept fake Rights to Counsel to not use my evidence and to forcing me to shut my mouth and not said about actual crimes by the Alleged victim and her family and to not said the Case is ~~not a false accusation~~ false Accusation of Retaliation and to not said the Commonwealth using my Attorney to derived me of my Constitutional Rights, my Civil Rights, my Human Rights and Seven years deprived me of life and liberty.
33. If the Commonwealth making false mental illness and falsely call me paranoid about Attorneys and delusional about Judicial System can not hide this Reasonable injustice when clearly can see the Case is false and illegal and can see there is no any Result from Attorneys and clearly can see all Counsels on purpose hiding facts and ignoring my Exculpatory Statement and evidence and ignoring all errors and violation made by the Commonwealth to for Continue the illegal Case.
34. The Commonwealth of Massachusetts illegal arrested me, illegal Seven years Jailed me, illegal Hospitalized me and illegal forced me to take false Psych medications and harmed my body and my mental, seven years using prisoners and staff of the Jail and Hospital to attack me mentally and physically and

and illegal torturing me to forcing me to disrespectful Reaction and violence but I did not touch anyone and always I am Respectful to everybody specially to female that why the Commonwealth using Staff of the Jail and the Hospital to making false reports for me to ~~making bad pictures~~ falsely accused me to making bad pictures from me but when I am seven years always under Review of camera and Commonwealth of Massachusetts have no any video evidence to prove any disrespectful to female or anyone, and have no any video evidence to prove any violence or any dangerous to others by me, can not falsely accuse me only by false Reports.

35. Under State and Federal Constitution, the U.S. Supreme Court Rules, and the Supreme Judicial Court Rules, this Retaliated ~~Unconstitutional False~~ Unconstitutional False Accusation with so many errors and violations on purpose made by Commonwealth, the false and illegal Case must be Dismissed but by fake Rights to Counsel the Commonwealth using my Attorneys to deprived me of all my Rights, my life and liberty because prejudice and Discrimination based on Race National Origin, Religion, Language, Sex and Color, to deprived me of "A JUSTICE" for Iranian legal Refugee the innocence Defendant and to hiding actual crimes of facts to protecting my Iranian wife Sanaz Siyonit and Iranian American her uncle Jacob Babai because they are Jewish and have support from ~~Iranian Jewish community~~ the Commonwealth of Massachusetts.

36. ~~33~~ The Commonwealth violated the First step of the Due Process Rights did not presented any evidence to show and prove any crime has been committed, violated the second step of the Due Process Rights did not any investigation for the Reasonable false Accusation, violated the next steps of Due Process Rights by on purpose destroyed the Exculpatory video evidence, seven years Refused to translations evidence, Refused to file the Defendant's Exculpatory Statement and evidence to hide 13 counts of the actual crimes by the Alleged victim and to hide Reasons of her Retaliation to made ~~illegal~~ Unconstitutional False Accusation and is seven years the Commonwealth intimidating my Attorneys to deprived me of life and liberty and all my the U.S. Constitutional Rights, to not do complaint from the Alleged victim and her family to protecting guilty ~~people~~ people. For prove of all facts and these errors and violations of my Rights can see Docket Sheet of the Case in seven years ~~all~~ all Attorneys have no any Result of Due Process and did not file my Exculpatory Statement and evidence, did not translations for evidence, did not investigation, did not file my complaint from the Alleged victim and did not said the Case are Retaliated ~~illegal~~ illegal ~~Unconstitutional~~ Unconstitutional False Accusation and did not Defend me when the Commonwealth on Purpose made so many errors and violations and now the Commonwealth want make unfair illegal trial when have no prove of any crime has been committed and without Rights to Counsel want use false testify and injustice by the Jury to make false guilty for Iranian innocence.

Materiality

Here, the video evidence of the Alleged victim's family counting cash of \$7000 inside the Cambridge police station for Intimidating and Bribing the Defendant 30 minutes before the police reports and the Defendant Refused to take the Bribes from the Alleged victim is Material in which goes to credibility of the accuser as well as culpability. As culpability and state of mind and other Exculpatory Material evidence not given to the Grand Jury involved voicemails left by the Alleged victim Stated "I wanted to give him \$7000 plus \$1000 for his flight yesterday but he did not accept".

There is other Exculpatory Material evidence not given to the Grand Jury in the form of the text messages left by the Alleged victim the Intimidating and the Bribing the Defendant First by \$1000, then \$3000, then \$7000 and lastly \$15000 and stating paid \$1000 and bought the airline ticket for the Defendant to leave the United States Immediately and if he Refuse to take the Bribes and Refuse to leave the U.S.A. police arrested, Jailed and deported. Other Exculpatory Material evidence is copy of the airline ticket proved the Alleged victim the Intimidating and the Bribing the Defendant.

Also other Exculpatory Material evidence is signatures of ³⁰⁵ ~~25~~ American employee of the Bridgewater State Hospital proved I Hamid Reza Ardaneh am not dangerous, I did not anything wrong, I am always Respectful to everybody and I am not criminal, ³⁰⁵ ~~25~~ witnesses of Doctors, nurses and all staff of the Hospital proved he is not mentally ill.

Other Exculpatory Material evidences are 3 reports of the First Psychiatrist Reported "I have seen no evidence for any Psych Pathologie", "I can order no Psych medication at this time as I have no idea what I would be treating", "I do not know why he is in the Hospital". Also the Defendant have 2 witnesses for prove of the intimidations and the Bribes by the Alleged victim.

Article 11 to the Mass. Constitution

The Defendant claims he have violated his rights under Article 11 of the Massachusetts Declaration of rights. Art. 11 of our Declaration of rights guarantees to every citizen the right to “obtain right and justice freely, and without being obliged to purchase it; completely, and without any denial; promptly, and without delay; conformably to the laws, “and without having to file a lawsuit. Here the Defendant to the attention of several Judges that his lawyers were not pursuing a litany of exculpatory evidence to include video of the Alleged victim’s family counting cash of \$ 7,000 in the lobby of the Cambridge Cambridge Police station 30 minutes before the Alleged victim filed a Police Reports. As well as the messages of the intimidations and the bribes directly in the Defendant’s hands in open Court. Yet Judges failed to take any inquiry into the fairness of these proceedings or effectiveness of counsels’ representation. That has reduced these proceedings to a sham. This Defendant under Art. 11 should not have to purchase his guaranteed trial rights by filing this Prima- Facie case of retaliation. Article 11 already provides these rights under the State Constitution. To have to use the First Amendment petition clause to enforce these rights is “grave unfairness” and has brought the judiciary into disrepute.

Sixth Amendment and Article 12 to the Mass. Constitution

The Supreme Court has recognized that the Sixth Amendment right to a counsel exists, and is needed, in order to protect the fundamental right to a fair trial. The Constitution guarantees a fair trial through the Due Process Clauses, but it defines the basic elements of fair trial largely through the several provisions of the Sixth Amendment; including the Counsel Clause. *Strickland v. Washington*, 466 U.S. 668 at 685. “Thus, a fair trial is one in which evidence subject to adversarial testing is presented to an impartial tribunal for resolution of issues defined in advance of the proceeding. The right to counsel plays a crucial role in the adversarial system embodied in the Sixth Amendment, since access to counsel’s skill and knowledge is necessary to accord defendants the ‘ample opportunity to meet the case of the prosecution.’” “Here this prima-facie pleading alleges a substantial and serious deficiency below that of a competent causing this Defendant a severe prejudice as a matter of law, the trial record affirmatively demonstrates beyond any doubt that if counsel had done each of the things the Defendant asked him to do the outcome of process would be different. The Defendant brought to the attention of multiple counsels, as well as judges that exculpatory evidence to include video of the Alleged victims’ family counting cash of \$ 7,000 bribe in the lobby of the Cambridge Police Station 30 minutes before the Alleged victim (his wife) filed the Police report. The gross and unacceptable failure of counsels to pursue this legal matter and trusted to counsel has resulted in an outrageous prejudice and has impaired the Anglo-American adversarial system to produce a just result. The Sixth Amendment recognizes the right to the assistance of counsel because it envisions counsel’s playing a role that is critical to the ability of the adversarial system to produce just results. An accused is entitled to be assisted by an attorney, whether retained or appointed, who plays the role necessary to ensure that the trial is fair.

For that reason, the Court has recognized that “the right to counsel is the right to the effective assistance of counsel. “If the Court for ~~7~~ years only keeping name of counsels in the case without any result that is not rights to counsel for Hamid. Here counsel’s performance was so deficient and their errors were so serious that counsel was not functioning as the “counsel” guaranteed the defendant by Sixth Amendment. Counsels’ errors in the case at bar are so serious has to deprive the defendant a video evidence in which would have cast serious doubt on credibility of the Alleged victim. The error has deprived the defendant of a fair trial and it is clear that counsel has failed in their duty to bring bear such skill knowledge as well as loyalty as to render the trial a reliable adversarial process as guaranteed by the Sixth Amendment. Here without doubt to the lost video evidence would have supported the Plaintiffs’ case see Commonwealth v. Williams, 455 Mass. 706, 718, 919 N.E. 2d 685 (2010). This Court then must “way the materiality of the evidence and the potential prejudice to the defendant as well as the culpability of his CPCS attorneys who failed to pursue the legal matter and entrusted to counsels.

Article 29 to the Mass. Constitution

The Defendant claims his rights under Article 29 are being impinged based upon extra-judicial source of their natural district the Defendant's national origin of being Iranian as well as a language barrier this impermissible Consideration is having a discriminatory affect up the Defendant's Rights under Article 29. of Massachusetts Declaration of Rights. The Judges' outward expression of partiality and willful disregard of Law during deliberative process in motions to discharge counsel out of severe personal animosity but for cause discrimination toward national origin has affected Reasonable judgment and has manifest of bias and prejudice. Such bias and prejudice in the Defendant's proceedings have impaired the fairness of the proceeding and have now brought the judiciary into disrepute. See S.J.C Rule 3:09, Canon 3(b)(5), as appearing in 440 mass. At 1312, Commentary to B 3B (5). There is no question this prima-facie pleading poses a serious dispute concerning the administration of justice now requiring injunctive relief in the case at bar there has been partial interpretation of the laws as well as a willful disregard for the Defendant's guaranteed Fifth, Sixth and Fourteenth Amendment trial rights effective assistance of counsel and compulsory process. Commonwealth v. Rogers clearly the S.J.C. made clear motions to discharge counsel requires action yet the lower Courts have completely ignored the Defendant's substantive assertions that CPCS attorneys' are totally denying assistance this prima-facie pleading has alleged sufficient facts, except it as true to state a claim of relief under Article 29 of the Massachusetts Declaration of Rights. Require an injunctive relief.

Abusive Process

On 8-2-2017 the Defendant after several months of studying law presented to the Court 5 motions. Motion for speedy trial (2) Motion to discharge interpreter and counsel and for self-representation (3) Motion to produce video evidence at the Cambridge Police Station (4) Motion to dismiss charges and (5) Motion to Complaint from the alleged victim Sanaz Siyonit and her family Jacob Babai, David Merfeld and Bonnie Friedman. The Judges' in addressing only discharge of counsel basically told Hamid if he didn't have the money to pay for another counsel, he would have to represent himself. Hamid gladly stated to the Judge "I don't want any more of your attorneys'." "I want to represent myself and use my own evidence and prove my innocence." To this 15(a) process was initiated for an ulterior or illegitimate purpose, resulting in damage. Millennium Equity Holdings, LLC v. Mahlowitz, 456 Mass.627,636,925 N.E. 2d 513(2010). Here a 15(a) process laws initiated by the trial judge and his own non-loyal CPCS counsel, to accomplish the oppressive silencing of a reasonable intelligent accused seeking and demanding pursuit of silencing Hamid in pursuit of Police Station video was to hide the prosecutors breach of duty in automatic discovery. Mass. R. Crim. P. 14(a)(1)(A)(iii), as amended, 444 Mass. 1501(2005), and which would have cast the prosecutor into the role of an Architect of proceeding that does not comport with standards of justice..." Brady, 373 U.S at 87. Hamid was sent to Bridgewater State Hospital on now a 16(c). Upon completion of 15(b) Correct Care Recovery Solutions Jessica Surretts falsely testified under oath Hamid was not taking his medication he was paranoid and cannot work with attorneys, yet there was never an order of medication. Hamid was committed for 6 months as being incompetent to stand trial resulting in damage, in the form of judicial oppression, to silence the accused and prevent him from pursuit of liberty.

Potential Prejudice

The potential prejudice to Hamid caused by ineffective assistance counsel is off the charts. They falsely said that the lost video evidence cannot be replaced. Counsels' failure to hold the prosecutor accountable to Brady order is a substantial departure from acceptable standards and prevailing norms of practice as reflected in American Bar Association standards, e.g.ABA standards for criminal justice 4-1.1 to 4-8.6 (2d ed.1980). Recently the S.J.C. ruled on May 8,2018 CPCS & other v. Attorney General, S.J.C-12471 "Rule broadly defines exculpatory evidence as any facts of an exculpatory nature." The S.J.C. further ruled that Mass. R. Crim. P. should include Brady checklist. Consistent with this opinion CPCS attorney failed to pursue exculpatory material showing "actual innocence" causing a severe prejudice. The trial Judges' refusal to allow Hamid a voice to be heard in his own criminal prosecution as well as outward expressions of partiality and willful disregard of law has brought the judiciary into disrepute and has impaired the fairness of Hamid's proceedings.

Closing pursuant to its general superintendence powers under G.L.c.211 section 3, the single justice of the Supreme Judicial Court has the authority to take any action necessary in the furtherance of justice, the regular execution of the laws, and the improvement of the administration of justice for Hamid in Middlesex Superior Court *and Brockton District Court*.

See Commonwealth v. O'Brien, 432 Mass. 578, 583-84 (2000).

Official Translation from Persian

Translated by Fatemeh Mashhadikhalil
 Date of translate: 11/04/2019

Translated voice messages and text messages from Sanaz Siyonit (alleged victim) to Mitra Ardaneh (defendant's sister). Defendant is Hamidreza Ardaneh in Middlesex Superior Court Case No. 1681CR00418.

Voice message sent by Sanaz Siyonit to Mitra Ardaneh: The way he wants to go to Iran has nothing to do with me. I wanted to give him seven thousand dollars plus a thousand dollars for his flight yesterday, but he didn't accept. Now even if he dies I'll not give him a single cent.

Text message sent by Sanaz Siyonit to Mitra Ardaneh: the police forces him to leave the house, he doesn't have the right to get near Amir and I.

Text message sent by Mitra Ardaneh to Sanaz Siyonit: Where is he now?

Text message sent by Sanaz Siyonit to Mitra Ardaneh: We got him a hotel last night. I packed all his stuff so that my uncle gives it to him. We have court date in two weeks. The flight tickets will be bought for him. They'll give him a thousand dollars. If he doesn't want to go back to Iran tell him to go to Europe where his friends are.

Text message sent by Mitra Ardaneh to Sanaz Siyonit: He cant do anything with a thousand dollars.

Text message sent by Sanaz Siyonit to Mitra Ardaneh: He can go to Europe or anywhere else that he wants. Imagine him as a dead person from now on because he is in a really bad situation.

Text message send by Mitra Ardaneh to Sanaz Siyonit: Go finish this problem and let him go.

Text message sent by Sanaz Siyonit to Mitra Ardaneh: If he doesn't accept, he will go to the jail. What is he thinking? He is crazy. He thinks that he is collecting evidence from us. I'll fuck his mouth. I'll do something so he go back with all the misery. This is the end if he can't undrestand it he will be sent to the jail until he gets deported. He is dumb he doesn't undrestand.

Text message send by Mitra Ardaneh to Sanaz Siyonit: What could he do or where could he go with one thousand dollars? He doesn't have anything here.

Text message sent by Sanaz Siyonit to Mitra Ardaneh: If he accepts I'll give him one thousand dollars from my own stupid wage.

Psych MD note

I am about to see the pt and will call an interpreter who speaks Farsi, the pt's primary language.

To be seen 1w after 1 week to assess with greater understanding what he is saying and how he is feeling. The pt is very concerned that I not feel that he is paranoid and he has been very cooperative but we have yet to reach a lawyer who speaks Farsi or an interpreter who speaks Farsi and this puts us at a great disadvantage. I will assess the pt for any sx of psychosis or any other psych. pathology. Pt said that he is normal and has always been so and he is not on any psych. meds or even sleep agents either as he feels just fine.

Psych meds none

It tried to communicate that he had been in the USA for 8 months after 20 years in Iran with his wife and children. He then claims that she left the house after saying "good bye my love" in Farsi and then the police came and gave him a restraining order. After several days, he reports that he left the home and went to a hotel. He claims that his wife's family ~~was~~ tried to bribe me with \$7000 if he would leave the US and not go to court to press charges against her. He refused both the money (bribe) or to go to the airport on the ticket she purchased for him to go back to Iran. 30 minutes later his wife went to the police station and made a "false report" that he had allegedly tried to harm her by punching her in the face but claims that he did not and that she had no marks on her face at all. One day later he reports that the police came and he was arrested for A & B and his wife also c/o having been raped by him. He then went to court and has been incarcerated in jail for over a year and then transferred to a psych. hospital for 52 days.

I have seen no evidence for any psych pathology but I remain concerned that he is not being given adequate interpretation due to the language barrier and his cultural distrust of a foreign land. However, he has denied

Resident Problems:

I have seen no evidence for any psych pathology but I remain concerned that he is not being given adequate representation due to the language barrier and his natural distrust of a foreign land. However, he has always been pleasant and cooperative with me and even today as we wait for a Farsi interpreter for over 1/2 hour he has been calm and pleasant.

I held for over 30 minutes for the Farcy interpreter but they never came to the phone. I gave up.

Dx Unclear ~~NO~~ issues related to his marriage or some other unknown problem

Rec I can order no psych medications at this time as I have no idea what I would be treating.

I am asked to see the pt for the purpose of deciding on whether or not pt requires a Roger's Guardian to assist in helping him make medical decisions. Pt claims to have no psych hx and also denied any prior psych issues until his wife claimed that he allegedly punched her and then asked for a divorce. Pt notes they have been married for 18 years and have been together for almost 20 years. He noted that they have 1 son who is 16 yo and is doing well and living in Belmont and attending the Belmont High School in the 10th grade. Pt denied ever being given any psych meds or prescriptions and is shocked by what has been happening to him. He said that he never imagined that he would go to jail or be hospitalized. Pt also said that his wife never threatened to do anything such as this. Pt asked if he had any hx of drug or Etoh abuse and he denied any such behaviors but did admit to drinking one or 2 drinks a week but denied any abuse.

airplane, a train and a bus are alike and he said they move people. Judgment good answer to formal questions such as what he would do if he found a stamped addressed envelope etc. Insight very limited and I am not sure why but it is possible that it might be in part due to his limited English.

Brief PE Pt had several healing cut marks on his right forearm but denied he inflicted them himself and claimed that the guards did it to him at another facility.

Pt said that he was in the jail for 400 days. P denied S denied and he said "never, I love myself."

I asked questions for social hx and he said that he went to school for 11 years and did not graduate. Pt said that he did not like High School but does like work. Pt did note that things were every difficult back then in Iran.

Dx Unclear at this time

Rec I did see the notes by Dr. Jessica L. Surratt, PhD, but without more information and time with the pt, I am unable to say whether or not he requires a guardian.

I have no information about what types of psych meds he should be given or even if he should be on any. I am aware that I have been asked to fill out papers for Guardianship but feel that I cannot do such at this time despite my concerns about his cut marks on his left arm.

I will try to examine the pt on 7/11 and hope that I can come to some conclusion but feel that it is very sad that the pt is in such a situation whether or not he is psychiatrically ill.

To be seen flu after a week to check for whether or not I need to file a Roger's Guardian in light of the fact that we have yet to get the pt an interpreter who speaks Farsi, the pt's first language. Thus far the pt feels that I have been unfair in my concerns about his possibly being paranoid and said that I am wrong and that he said he trusts me when he feels I deserve it and might not when he feels I have been less than honest. Pt then asked me if somebody asks for their rights, are they paranoid by definition? Pt has been always very cooperative and pleasant but we just aren't seeing things from the same perspective and perhaps only will one day when I am a prisoner in a foreign land. Pt asked me to type into this note that he has no orders for any psych. medications.
